Re: Cannons Engineering Corporation Case  
Sites/Olin Corporation

Dear Mr. Thomas:

This is in response to your letter of October 21, 1986, which I received on October 25th, relative to the captioned matter, in which you requested a notarized affidavit indicating that Olin has conducted a diligent, records search and interview process in formulating its response, to the Environmental Protection Agency's ("EPA") request for information, concerning Olin Corporation's involvement in the captioned Site(s).

In response to this request, I am herein enclosing an Affidavit, executed on behalf of Olin Corporation by Verrill M. Norwood, Jr., Vice President, Environmental Affairs.

I trust that the foregoing will be fully responsive to your request. If you should have any additional questions, please do not hesitate to contact me.

Sincerely yours,

  
Allyn Myles Carnam

AFFIDAVIT OF  
VERRILL M. NORWOOD, JR.

State of Tennessee :  
                              :       SS:  
County of Bradley    :

The undersigned, VERRILL M. NORWOOD, JR., being duly sworn, deposes and hereby states as follows:

1. I have been Vice President, Environmental Affairs, Olin Corporation ("Olin"), Stamford, Connecticut since June, 1978 and I am responsible for Olin's compliance with Federal, State and local environmental laws, regulations, ordinances and other similar rules and requirements at each of Olin's former and present facilities, including but not limited to off-site waste disposal sites.

2. In connection with the foregoing, I caused to be conducted, a search of Olin's records, maintained during the ordinary course of its business, specifically as they relate to the Cannons Engineering Sites ("Sites") and the Environmental Protection Agency's ("EPA") Information Request, dated June 12, 1986, and the response by Olin's Corporate Regulatory Counsel, Allyn Myles Carnam, dated September 12, 1986.

3. I interviewed current and former Olin employees, who to the best of my knowledge and belief, would have been aware of any use of the foregoing Sites by Olin.

4. To the best of my knowledge and belief, I conducted a diligent and good faith interviewing process and record search in connection with Olin's preparation of the EPA response and believe that the transmitted data and information is fully responsive to the Olin Information Request.

5. Furthermore, I believe that the transmitted data and information are complete and accurate and represent a full disclosure on the part of Olin.

And further the deponent sayeth not.

  
Verrill M. Norwood, Jr.  
Vice President,
